

Preventing Infection Training Events for Care Homes and Domiciliary Care Providers 2017

This exciting 1/2 day training event is suitable for all staff working in a care home or domiciliary care setting.

Attendance at this event will provide you with key information to help prevent healthcare associated infection, protecting service users. It will also help demonstrate compliance with CQC educational requirements. A certificate of attendance will be issued.

Places are strictly limited and, therefore, early booking is recommended to avoid disappointment.

Programme

0900	Welcome and Introduction
