

Preventing Infection Study Events for General Practice 2017

This exciting 1/2 day study event is aimed at Practice Nurses, Practice Managers and other members of staff working in General Practice.

Attendance at this event will provide you with key information on evidence-based practice, new and emerging infections and support you with CQC inspections. It will also help demonstrate compliance with CQC educational requirements. A certificate of attendance will be issued.

Places are strictly limited and, therefore, early booking is recommended to avoid disappointment.
